

## JOB VACANCY

# TECHNICAL OPERATOR – PACKING

Location: Dar es Salaam, Tanzania  
Open to Tanzanian Nationals Only

Deadline: 28<sup>th</sup> March 2026

Are you a skilled operator with experience in packing operations and machine maintenance? We are looking for an experienced Technical Operator – Packing to join our team at Said Salim Bakhresa & Co. Ltd

### Key Responsibilities

- Operate packing machines to ensure accurate and efficient packing of milled products.
- Carry out autonomous maintenance (AM) for the packing machines including basic maintenance, conversion and machine changeovers.
- Supervise shift packing operations, assign tasks, and monitor team performance.
- Ensure compliance with safety standards, GMP, and company quality procedures.
- Support quality control by verifying product weights, seals, and coding accuracy.
- Maintain accurate records of shift activities, including production reports and inventory.
- Collaborate with quality control, production, and dispatch teams to resolve operational issues.

### What You'll need

- Diploma in Mechanical, Production, or Process Engineering (essential)
- Bachelor's degree in a related field (desirable)
- Minimum 2 years' experience in manufacturing or food processing
- Strong knowledge of packing machines and processes
- Familiarity with food safety standards and compliance requirements
- Problem-solving, decision-making, communication skills and use of computer systems

### You Bring

- Strong teamwork and collaboration skills
- Flexibility and adaptability in a high-pressure environment
- High integrity and results orientation
- Commitment to safety and continuous improvement

### Why join us?

This is a great opportunity to be part of a reputable and forward-looking company. You will play a vital role in maintaining production efficiency, safety, and product quality, while building your career in a supportive environment.

### How to Apply:

Interested candidates should send their CV to [recruitment@bakhresa.com](mailto:recruitment@bakhresa.com) with the subject line: Application – Technical Operator.
