

JOB VACANCY **QUALITY ASSURANCE** **MANAGER**

Company: Uhai Water Bottling Company

Location: Dar es Salaam, Tanzania

Deadline: 10th June 2026

Uhai Water Bottling Company is seeking a highly skilled and detail-oriented Quality Assurance Manager to oversee and maintain the highest standards of product quality, food safety, and compliance across all production processes.

Key Responsibilities

- Develop, implement, and monitor quality assurance policies and procedures
- Ensure compliance with food safety, hygiene, and regulatory standards
- Supervise laboratory testing and water quality analysis processes
- Conduct regular inspections and audits of production and packaging lines
- Investigate quality issues and implement corrective and preventive actions
- Coordinate with production and maintenance teams to improve product quality
- Maintain accurate QA documentation, reports, and certification records
- Train staff on quality standards, GMP, HACCP, and safety procedures
- Monitor customer complaints and ensure timely resolution of quality concerns

Minimum Qualifications & Experience

- Masters in Food Science, Chemistry, Quality Management, Microbiology, or related field.
- Minimum 5 years of experience in a managerial position within a water bottling company
- Strong knowledge of GMP, HACCP, ISO standards, and food safety regulations
- Excellent analytical, leadership, and problem-solving skills
- Proficiency in quality management systems and Microsoft Office
- Strong communication and report writing abilities
- Experience in water treatment and beverage manufacturing processes is an added advantage

Interested candidates should submit their CV and cover letter to hr.bfpl@bakhresa.com with the subject line "Quality Assurance Manager Application."
